## DUE DATES

When are new ULMV stickers due? Stickers run from July 1 through June 30. New stickers are yellow and the guards will be looking for the new stickers. Make sure you have them on the back of your ULMV where they can be seen easily.

When are membership dues due? Dues are also due by June 30. You are considered in violation of your lease if dues are unpaid by that date. Privileges may be suspended if you have not paid or made suitable arrangements by that date. Please contact the park manager with any questions you have regarding these policies.

## PROOF OF INSURANCE

To be in compliance with the rules & regulations, all members must provide proof of liability insurance on their property. The policy must show a minimum of \$50,000 property damage and \$100,000 personal injury. It must show the property address as the property in Wildridge. We need the Declarations Page that shows the actual insured amounts. It also needs to show policy period. We need this information updated every year. For some members, their golf cart insurance is included with their homeowners insurance so they bring this in at the time they tag their golf carts. If your policies are separate, please make sure you are in compliance.

## WE NEED YOUR EMAIL ADDRESS

In our attempts to move ahead in the world of technology, we want to implement e-billing and e-communication. It can save us money in the long run.

In order to do this we need to update our records with your email addresses. Please contact the office to make sure we have yours.

## BOARD MEMBERS NEEDED

We have two positions on the board that will need to be filled this year.

If you are interested in serving on the board of directors, please submit your resume to the park manager no later than Sunday, June 14. The position serves for a three year term. The board meets on the second Saturday of each month normally from March - November. If you have any questions regarding the election procedures or policies, please see the park manager for a copy of the By Laws .

### WILDRIDGE REMINDERS FOR EVERYONE

## **A NOTE FROM THE MANAGER**

It is so nice to see all the friendly and smiling faces back at the Ridge! There is no better place to be! We did acquire some new members over the Winter and this Spring, and I would like to extend a warm welcome to those new members, and a welcome back to all of our faithful Wildridge Family!

- We continue to put the finishing touches on our Spring water issues, replacing leaking and problem water connections. If you find something that is in need of repair, please call the office or advise the security staff in order for it to be repaired accordingly.
- Final preparations are being made with the Pool. It will open May 22. Just a reminder that no glass bottles or beverage containers allowed. There are no lifeguards at the pool, therefore we ask that parents be mindful of the dangers, and do not leave children unattended, and enjoy the facility. The pool facility is limited to members and their family and accompanied guest.
- Just a reminder, all lots should have their lot numbers displayed easily visible from the roadway. This eliminates valuable down time for staff for notifications and emergencies as well as guest.
- We would also ask that all lot owners who are sub-leasing to notify the office in order that we may keep our records updated with contact information.
- We have noticed some problem areas with the amount of rainfall that Mother Nature has so graciously provided us lately. We wish to remind Lot Owners to check their drainage ditches, and culverts to make sure they are free and clear of washed out rock and debris. Please do not rake leaves, or place brush in the drainage structures. This only magnifies our drainage problems. We very much appreciate your assistance with this matter.
- We have a very beautiful park, and it continues to beautify and grow each year. We ask Lot Owners to look around their lots and clean up trash and abandoned/unsightly materials not being utilized. This allows for easier care and maintenance of your lot, and keeps your property within the clean and orderly guidelines set forth in the covenants of Wildridge.
- Wildridge is a place where we all come to relax and enjoy. We want to make Wildridge a safe place for all ages to enjoy. Some choose to walk with their children, some choose to walk their four-legged family, others decide on a fitness walk after a meal. We therefore have others that we are sharing our roadways with. Those operating vehicles and ULMV's should do so in consideration of others, watch your speed, and allow everyone to have a safe and enjoyable time here on the ridge. We do have an age requirement on ULMV operation, and underage operators should be registered at the office. You may pick up a copy the ULMV operation requirements at the office, or obtain one from security. You will find our friendly security staff to be there to assist you any way possible, and to ensure adherence to park rules. If you see an area of concern, please say something. Our members are our eyes and ears. **SAFETY IS EVERYONES RESPONSIBILITY!**

Looking forward to another great year here at Wildridge!

## MARK YOUR LOT

*Many of the lots in the park are not properly marked making it difficult for Maintenance and Emergency personnel to locate you. Please make sure your lot is marked legibly and can be easily seen from the road.*

## SUBLETTING LOTS

In accordance with the restrictive covenants of the Wildridge Association lease, anyone subletting or renting their lot is to obtain prior approval from the association. Please notify the office if your lot is being rented or subletted. We need the information on your tenant so we are aware of who is being let into the park by use of your gate cards. This also applies to anyone selling their lot on contract. **And remember, as always, ultimately you are responsible for all actions of your tenants.**

## WHAT IS THE BIG HURRY?!!!

**PLEASE SLOW DOWN!** We frequently have complaints of people driving vehicles of all sorts way too fast on our roads through the park. The posted speed limit is 15 mph. That is for the safety of our children and members who enjoy walking and riding ULMV's and such. Why do some of you have to drive through here like you're going to a fire? We're here to slow down, take it easy and have fun.

## LOT CONDITION

Also in accordance with the Wildridge Association covenants, leaseholders are to keep their lots in good, clean and orderly condition. All campers and structures on the lot are to be kept in good repair, clean, painted and maintained. All grass & weeds are to be kept mowed including area between lot and the edge of the road pavement.

Management has been and will continue making contact with members who are in violation of this covenant in an attempt to keep the park looking its best.

If you have any lots in your area you feel need to be addressed, please contact the manager.

## PUT YOUR LOT NUMBER ON YOUR ULMV

It is required by the ULMV rules that your vehicle be marked with your lot number. Remember, all ULMV's must have both a current Wildridge Association permit tag, and lot number displayed on rear, visible from 50 feet prior to operating in the park.

Permit tag is to be placed on the rear of the vehicle in a manner that the tag, AND THE LOT NUMBER can easily be seen and read.

Tags are valid for one year and expire July 1 of each year. All tags must be renewed prior to operation of ANY and ALL ULMV's on Wildridge roads. Current proof of liability insurance must be presented to obtain tags and insurance certificate must indicate the specific vehicle or cover all recreational vehicles covered under your homeowners policy that shows Wildridge as the insured property.
